PEORIA, ILLINOIS

*"I pledge allegiance to the Flag
of the United States of America
and to the Republic
for which it stands:
One Nation under God, indivisible,
with liberty and justice for all"*

THE AMERICAN'S CREED

I believe in the United States of America as a Government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable; established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my country to love it; to support its Constitution; to obey its laws; to respect its Flag; and to defend it against all enemies.

NATIONAL HEADQUARTERS LADIES OF THE GRAND ARMY OF THE REPUBLIC

AIMS AND OBJECTS

The Ladies of the Grand Army of the Republic are banded together to teach patriotism and lessons of good citizenship and to perpetuate the deeds and sacrifices of the Grand Army of the Republic.

The organization stands alone in its efforts and purpose—it is not an auxiliary to any other Order. It has high achievements and lofty ideals. Its labors in the past have been rewarded by an abundant yield; and the devotion and loyalty for which it stands have marked its progress in the past and will assure its continuance in the future.

The advancement of this Order has been onward and upward, proudly conquering all obstacles in its path, thus fulfilling its high mission. Not content with these laurels it will go forward to further triumphs under the great banner of Fraternity, Charity and Loyalty.

The spirit of fraternity inspired by a desire to minister and to serve, and the human obligations and the sympathies embodied in the teachings of this organization should appeal to all women whose kinship to the Grand Army of the Republic give them eligibility in this Order of patriotic women.

The teachings of the lessons of good citizenship are far reaching. Every effort is put forth so that the future citizenship of our country may not be lacking in the one undying purpose—obedience to the laws of our country.

One of the great objects of the Order, irrespective of creed or religious sentiments, is to promote

loyalty to country and obedience to its laws. Such duties, inculcating the spirit of loyalty and service in the hearts of children are considered among the highest obligations of life.

The Ladies of the Grand Army of the Republic give special attention to the public schools; seeing that the children obtain proper education in the history of our country; distributing literature for the observance of patriotic holidays; giving instructions in the teachings of the sacredness of Memorial Day; presenting Flags to the schools and instructing the children in the history of the Flag and the mighty principles for which it stands.

This organization of patriotic women has always assisted the Grand Army of the Republic in its high and holy mission, it assists the Soldiers' Homes, Soldiers' Widows' Homes and the homes for the veterans and their wives. There are homes in several Departments for the veterans and their wives and widows of veterans, supported entirely by the Ladies of the Grand Army of the Republic.

This Order would further the interests of all circles and institute circles throughout the United States.

All blood-kin relatives of Union veterans of the Civil War and army nurses of that war of good moral character are eligible to membership in this Order.

Circles may admit to honorary membership of the Ladies of the Grand Army of the Republic, all honorably discharged soldiers, sailors and marines, and also sons, grandsons and nephews of the veterans of the Civil War, enjoying all privileges without any initiation fees or dues.
